

Madison Announces Winner of Chicago Baseball Weekend

Pictured above is Kristie and Kevin Cook of Staunton with their two children. Kristie was the winner in Madison's raffle to win a trip to Chicago. The online drawing was held during July. Area residents were encouraged to register to win a baseball weekend to see the Cubs play the Cards! The prize package included round-trip airfare for two, two nights' hotel stay, two tickets to the Cubs vs. Cards baseball game, plus a "Baseball Fan Prize Pak" with spending money for the entire weekend!

Madison is pleased to be able to offer this promotion at a time when they have just rolled out an all new Cable TV lineup offering even more sports networks, including MLB, NHL, NFL, and Red Zone to mention just a few! And, for avid sports fans, Madison now offers an "Exclusive Sports HD" package which is an all-sports tier.

Madison would like to take this opportunity to thank everyone who entered their summer raffle and encourages everyone to watch for details concerning their Local High School Football Pick 'Em Challenge which will begin August 21st!
