

Madison to Host Ecycling Day at Main Office in Staunton on January 28th

Madison Communications will be sponsoring an Ecycling Day at their main office in Staunton, 21668 Double Arch Road, on Saturday, January 28th, from 9:00 a.m. to 3:00 p.m. Any electronic device including, but not limited to, computers, monitors, small appliances, VCR's, and printers. Large white box appliances and televisions will not be accepted.

Effective January 1st of this year, electronics may no longer be discarded through regular trash pick-up, so Madison is offering this free service to residents to make it convenient for area residents to recycle old electronic devices. Each recycler participating in this "go green" event will receive a free tote bag, compliments of Madison.

Some of Madison's other current "green" projects include Online Bill Pay where customers can sign up at Madison's website for paperless billing. E-payment options include credit and debit card, as well as ACH (automatic withdrawal).

Madison also participates in paper recycling by shredding discarded paper and donating it to Adopt-A-Pet in Benld for their animal shelter.

For information regarding local area television recycling centers, contact your local Goodwill Store. Questions regarding Madison's Ecycling Day may be directed to 1-800-422-4848 Monday through Saturday, 8:00 a.m. to 5:00 p.m.
