

## **Madison Communications Technician Team Takes 14 Medals at Regional Competition**

Pictured above are Madison Communications technicians Matt Neske, Jeremy Maggart, Dennis Russell and Ryan McDowell just after the Society of Cable Telecommunications Engineers Regional “Cable-Tec Games” in Omaha, Nebraska.

Having finished 1<sup>st</sup> place overall at the SCTE Gateway Chapter competition in May, Madison’s team qualified for participation in the Mid-America Show held August 26th in Omaha. During this regional competition, the Madison team brought home an impressive 14 out of 21 total medals, including all three places in the individual overall.

Jeremy Maggart received the Gold Medal for Overall Individual, plus Gold Medals in Drop Splicing, Main Line Splicing, Fiber Splicing, and OTDR (Optical Time-Domain Reflectometer). Dennis Russell received the Silver Medal for Overall Individual, plus Gold Medals in Cable Jeopardy and MTDR, and a Silver Medal in OTDR. Ryan McDowell received the Bronze Medal for Overall Individual, plus, Silver Medals in Cable Splicing and Drop Splicing, and a Bronze Medal in MTDR. Matt Neske received a Bronze Medal in Fiber Splicing.

Madison management and staff is pleased to announce these recognitions and to provide this superior level of expertise to the communities they serve. Madison Communications is a fully integrated service provider of high-speed Internet access, digital phone, HD entertainment programming, and other IP solutions to residential and business customers.
