## PLEASE NOTE:

- Franchise fees paid to your community are not included in above rates.
- Monthly payments are due in our office by the 21st of the month at 4:00 p.m. If payments are not received by due date, late charges will apply and service may be interrupted.
- Service Call Fee of \$90.00 includes 1 hour of labor and 1 outlet activation. Additional labor is billed in 30 minute increments.
- Do not attempt to hook up other television outlets to your cable service without contacting Madison Communications.
- Splitting your cable signal can interfere with your cable service and can also generate signal leakage which can violate FCC regulation.
- Signal strength is sufficient for the operation of three television sets. If a subscriber requests more than three sets to be operational, an amplifier may be necessary.
- If an amplifier is necessary, Madison Communications recommends a bi-directional amplifier either 10dbmV with passive reverse or 15dbmV with 10dbmV reverse. Our technician can determine which one is needed to receive the best quality picture on all television sets.
- Subscribers must elect Expanded Advantage HD to order premium and other select video subscriptions. Subscribers may elect Expanded Advantage HD for cable modem subscription or may choose cable modem service a la carte.
- Programming, pricing, terms and conditions are subject to change. Some restrictions may apply.
- Early Termination Fees may apply if conditions of contract are not met. Residential-up to \$400.00; Businessremainder of commitment; Fiber-to-the-Premise (FTTP)-up to \$1,500.00
- The Broadcast TV Surcharge is assessed to our Economy Essential HD package. This is a pass through charge reflecting fees assessed to Madison Communications by the owners of local and broadcast network-affiliated television stations.
- The Regional Sports Network Fee is assessed to those subscribers with our Expanded Advantage HD package. This is a charge reflecting the portion of programming costs assessed to Madison Communications by the owners of several regional sports networks in the tier.
- If Madison uses a collection agency or attorney to collect monies Customer owes it or to assert any other right which it may have against Customer, Customer agrees to pay the reasonable costs of collection or other action. These costs might include, but are not limited to, the costs of a collection agency and/or reasonable attorney's fees and court costs.
